Protekt® Deluxe Nebulizer w/Disposable and Reusable Kit

Proactive Protekt® Nebulizer is a lightweight nebulizer perfect for those who need to maintain proper lung function. Its small compact design makes it highly portable for use while away from home. The Protekt® Nebulizer by Proactive Medical provides fast, efficient, and reliable drug delivery to patients at home or on the go. People with respiratory difficulties, such as Asthma, Chronic Obstructive Pulmonary Disease (COPD), or Cystic Fibrosis, receive doctor prescriptions for medications that minimize or manage the symptoms of their disease. These medications are often in liquid form, requiring nebulization to deliver to the lungs.

- Whisper quiet motor
- Compact design
- User friendly operation
- Suitable for adults & children
